Description

African Gemstone Guinea Fowl as a souvenir selection is undoubtedly the perfect choice for that significant person in your life. Guinea Fowl Jasper Guinea Fowl Jasper is black with white speckled markings and patterns that resemble the feathers of the Guinea Fowl from Congo, Africa. Jasper is known as a stone of protection, driving away evil and guarding you throughout the day. Jasper is a crystal of gentleness and relaxation. It is professed to enhance one's ability to relax and bring tranquility, joy, comfort, and healing. It is used to stabilize your personal energy and aura, especially during astral travel and for grounding oneself. It is said to help with contentment, compassion, nurturing, consolation, and courage for conflict ahead and gentle endings. People enjoy African Gemstone because they are beautiful natural materials that have been given a pleasing shape and a bright polish. They are popular in jewellery, craft, souvenir, awards, collectable. Many people enjoy collecting interesting rocks. By placing gemstones within a person's aura it is possible to change the vibrations of that aura. Whatever your beliefs gemstones are attractive, interesting and fun to study and collect. These gemstones are packed in bags of 20 the are approx imately 20mm - 30mm per stone. You might be interested in exploring our range of products in this this
