Description

African Gemstone Jasper - Brecciated - Light as a favor selection is undoubtedly the ideal choice for that significant person in your life. Brecciated Jasper - Light Brecciated Jasper is a stone of strength and vitality. It can be used to bring mental clarity and focus to a previously scattered event, experience or life in general. Brecciated Jasper removes negativity from any space, returning it to its original source. It is a good choice for reducing stress levels both in the physical and metaphysical body. It encourages us to de-clutter both our mind and our lives. It banished self-doubt and guilt as toxic emotions replacing them with optimism and self-belief. It is a stone of endurance and stamina bringing strength to where it is lacking. People enjoy African Gemstone because they are beautiful natural materials that have been given a pleasing shape and a bright polish. They are popular in jewellery, craft, souvenir, awards, collectable. Many people enjoy collecting interesting rocks. By placing gemstones within a person's aura it is possible to change the vibrations of that aura. Whatever your beliefs gemstones are attractive, interesting and fun to study and collect. These gemstones are packed in bags of 20 the are approx imately 20mm - 30mm per stone. We highly recommend taking a look at our selection of products in this this
