Description

Back Flow Incense Burner - Hand & Lotus Flower could make for a wonderful gift to give to someone special. Backflow Incense Burner is specially designed to create smoke that cascades downwards, pouring dramatically down the tower with a stunning effect that will catch your eye. Once you have lit your incense cone, it will begin to smoke, the incense is heavier than air and it will fall dramatically in swirls and twists, through the hole and down over the item, to pool at the bottom. Our Backflow Incense Burner is suitable for home, office, teahouse, meditation, yoga studio. . . Please note: In order to create the smoke cascade effect you will need to use backflow incense cones.
