Description

Back Flow Incense Cones - Midnight Rose is an excellent choice for a present to give to someone important in your life. These long burn incense cones are made in India for so have nice exotic fragrances. So much nicer than the China cones, but a little more expensive. When they are burned, the smoke flows down the incense tower like a waterfall, creating an unusual and beautiful effect. Each box contains approx. 225 pieces (500g) so will last you a long time. Size of the single cone: height 3cm, diameter 1cm, weight 2g. Light the cone and it will begin to make smoke that is heavier than air and so it will fall dramatically in swirls and twists, down through the hole at the base to create a mesmerising effect and fill the room with a delicate fragrance. Use in one of our Back Flow Incense Burners to create a mesmerizing effect. These cones are only for use with Back Flow Incense Burners. . Our this

product range is extensive and designed to capture your attention.
