Description

Blackberry Simmering Granules can also make for a wonderful as a giveaway option for someone special to you. Make the best of aromatherapy with these Blackberry Simmering Granules . Simmering Granules are the best around. They are placed in the oil burner reservoir and require no water. Can also be used to generally fragrance any room. They are normally used in oil burners, but are less messy as they don't need oil or water. Just put a spoonful of granules in the burner and replace them when they're used up. Chase away cigarette odour by placing a few granules in ashtrays; freshen bathrooms and closets with a little bowl of granules, use them like potpourri. Colours may slightly vary. It all depends on how our production manager feels that day. . . They Come packed in 200g packs. Our this

section boasts an array of products that might pique your interest.
