Description

Carved Mango Wood Ash catcher 10' as a souvenir option is an exceptional choice for that significant person in your life. Mango Wood Assorted Ash catchers are lovingly handmade in India from . We deal with a number of companies all of which produce wood-wares in the city of Saharanpur in Northern India. This region has a proud artisan history of producing beautiful woodware and we are proud to support this industry by importing several containers a year of woodware, a favourite of which is the incense holder in so many forms. The Mango Wood Ash catchers are wide and curved so they are perfect for catching the falling ashes making them easy to dispose of and clean. However the main attraction is its beautiful intricate carved designs. Our assortment of products in this this
