## Description

**Carved Mango Wood Ash catcher With Burnt Finish** is a superb present option for that significant individual in your life. Assorted Ash catchers, Incense holders. Imported from India. We deal with a number of companies all of which produce woodwares in the city of Saharanpur in Northern India. This area of India still faces significant infrastructure problems, electricity is intermittent, transport and roads are poor. However the region has a proud artisan history of producing beautiful woodware and we are proud to support this industry by importing several containers a year of wholesale woodware, a favourite of which is the incense holder in so many forms. Thank you for making us your Wholesale Incense holders supplier. Your custom and support are really appreciated. \* sold in single pieces.\*For any assorted designs please specify in checkout which design you would prefer. We have a wide range of

products category that are sure to catch your eye.
