Description

Cutter For Soap Loaves as a bestowal selection is an absolute must for that special someone in your life.

If you are selling Soap Loaves or any other unwrapped soaps you will want to do a professional job of cutting and wrapping them at the sales point.

To this end we supply the following, although you may also want to consider our Organza Bags or Polyprop Bags.

You can cut the soap loaves with a knife but if you use a soap cutter you can achieve more uniform soaps and it's quicker. Our soap cutter cuts approximately 2 cm soap slices.

Please note this soap cutter is not suitable for our Aromatherapy Soap Loaves (ASoap) and Loofah Soap Loaves (Lsoap)

We highly recommend exploring our collection of products in this this

category. You may find our offer to be quite attention-grabbing.
