## Description

Searching for the perfect present for your beloved? Look no further, **Dead Sea Mud - Olive Oil Soap Loaf** selection of as a gifts fits the bill. Salts and minerals such as magnesium, potassium, calcium, natural tar and silicon compounds are the rich elements of the Dead Sea Mud. They are said to be effective at providing relief for skin disorders including acne and eczema, and may help to remove dead skin cells and impurities. Olive Oil soaps were one of the first vegetable made soaps. They are hand made using traditional cold process making method and are also SIs and parabens free. The natural fat may help to provide protection, improve skin tone, softness and youth of skin through restructuring oil action. Soap loaves are shrink-wrapped with an outer label containing product information which will need to be passed on to you. If in doubt about label requirements please consult your local Trading Standards department. Please Note: Soaps are hand-made and the colour or design may vary from the pictures shown.
