Description

In search of a as a giveaway for that special someone? **Exfoliating - Olive Oil Soap - SLICE** collection of presents is perfect. Our exfoliating contains pumice to remove ingrained dirt, refresh the skin and may then help the absorption of beneficial skin serums and moisturisers. Exfoliation can be helpful for those whose skin reveals signs of premature ageing due to factors like overexposure to the sun. It may also sometimes help with non-inflammatory acne. Olive Oil soaps were one of the first vegetable made soaps. They are hand made using traditional cold process making method and are also SIs and parabens free. The natural fat may help to provide protection, improve skin tone, softness and youth of skin through restructuring oil action. Soap slices are sold wrapped in waxed paper with an ingredients label and weigh approx imately 100g . Please Note: Soaps are hand-made and the colour or design may vary from the pictures shown. It is imperative that you explore our products in this this

section. We have complete faith that this exceptional offer will seize your interest.
