## Description

**Honey & Oatmeal - Soap Loaf** as a souvenir selection is absolutely perfect for your significant other. This Honey and Oatmeal soap smells of delightful syrupy honey thickened with oatmeal, with an exfoliating layer of oats on top. This soap smells delicious, but don't take a bite as it isn't part of a balanced diet! Quite often the busiest stall on the craft market is the one selling hand-made soaps cut off the loaf. The secret is in the display. . . be creative! Soap loaves are shrink-wrapped with an outer label containing product information. If in doubt about label requirements please consult your local Trading Standards department. Please Note: Soaps are hand-made, the colour or design may vary from the pictures shown.
