## Description

**Jojoba - Olive Oil Soap - SLICE** is a perfect as a giveaway selection for that significant person in your life. Jojoba oil may help to regenerate the cells of the epidermis, to soothe the skin and provide it with moisture. It may also help eliminate blackheads and spots. It is further recommended during pregnancy as it is said to improve elasticity of the skin and may therefore prevent stretch marks. Good also after shaving and waxing. Olive Oil soaps were one of the first vegetable made soaps. They are hand made using traditional cold process making method and are also SIs and parabens free. The natural fat may help to provide protection, improve skin tone, softness and youth of skin through restructuring oil action. Soap slices are sold wrapped in waxed paper with an ingredients label and weigh approximately 100g. Please Note: Soaps are hand-made and the colour or design may vary from the pictures shown. It's definitely worth checking out our range of products in this

section. This offer is definitely attention-grabbing.
