Description

Large Soapstone Dish - Owl as a gift option is an exceptional choice for that significant person in your life. Our Soapstone Animal Soap Dishes are hand carved in India of natural soapstone, which brings that beautiful natural earthy look to any bathroom. Three holes allow air to flow, helping to prevent moisture build-up in the dish and allows the air to circulate around the soap to keep it dry and last longer. This perfectly crafted range also makes a terrific housewarming gift. Please Note - As these products are handcrafted from natural stone, sizes and colouration may slightly vary.
