Description

Molten Glass on Wood - Vase is also a great as a souvenir suggestion for someone special to you. Our handmade melted glass on Wood is probably the biggest thing out of Bali in years, in Holland already a massive trend. Everything house plant related and natural is a major trend, and this beautiful and natural product is right on the button. They are crafted by hand in Bali from recycled glass and Balinese Gamal wood for . This stunning, molten art glass vase brings the best of two worlds together: natural and man-made; earthy and chic; practical and spiritual. The glass is hand-blown and while still hot it is then relaxed over a piece of Gamal root, the glass then hardens to the shape of the wood ensuring a perfect fit. They are crafted using a natural product by using hand tools in the traditional Balinese way. It provides a one-of-a-kind setting for stones and air plants, cut flowers or a wine decanter. Bring nature inside with these absolutely beautiful (and affordable) natural works of art. Bowl Size: H:24cm D:4cm On the Wood Stand: H:27cm We have a range of products in this this
