Description

Orange is believed to have antiseptic and calming properties and may help relieve anxiety and nervousness. Olive Oil soaps were one of the first vegetable made soaps. They are hand made using traditional cold process making method and are also SIs and parabens free. The natural fat may help to provide protection, improve skin tone, softness and youth of skin through restructuring oil action. Soap loaves are shrink-wrapped with an outer label containing product information. If in doubt about label requirements please consult your local Trading Standards department. Please Note: Soaps are hand-made and the colour or design may vary from the pictures shown.
