Description

Oregano Essential Oil as a souvenir selection is undoubtedly the perfect choice for that significant person in your life. Origanum Vulgare Plant Part Used : Leaves and Flowers Source : Spain Extraction Method : Steam Distillation Aromatic Description: Herbaceous, sharp, green, camphoraceous Oregano is one of the most potent and powerful essential oils and has been used for centuries in traditional practices. Due to its high phenol content, caution should be taken when inhaling or diffusing Oregano; only one to two drops is needed. Additionally, Oregano should be diluted with a carrier oil when applied to the skin. You might be interested in exploring our range of products in this this
