Description

Scented Ear Candle- Lavender as a bestowal selection is an absolute must for that special someone in your life. Ear Candles have become amazingly popular over the last few years with many enthusiasts claiming remarkable physical and spiritual effects from Ear Candling treatment. That being said it seems that nobody is quite sure where Ear Candles came from and what their original usage was. Various sources claim they were used in ancient cultures such as China, India, Siberia and North America. These Ear Candles are made from unbleached natural cotton and beeswax. Picture is for illustration purposes only. There is a filter in the end that doubles up as a safety device. We highly recommend exploring our collection of products in this this

ear candle, natural medicine, natural cosmetics, gift set

category. You may find our offer to be quite attention-grabbing.
