Description

Small African Tumble Stones - Picture Nguni is also a great suggestion for a thoughtful as a souvenir for someone special in your life. Picture Nguni is jasper with stripes and patterns that resemble the colour of the South African Nguni cattle. The stone contains various minerals that give it this wonderful look. It has earthy shades of brown, yellow, red and gray. A very interesting stone, especially when you look at it closely. Our selection of products within this this

variety is quite extensive, and we believe this particular offer may pique your interest.
