Description

Tree of Life Gemstone Necklace - Tiger Eye selection of as a gifts is certainly the perfect choice for that special someone in your life. Tiger's eye owes its name to an unusual optical effect - in the glare of the sun it shines and twinkles. Necklaces with this stone are effective and versatile, which makes them a perfect addition to both everyday and elegant evening outfits. In esoteric, the tiger's eye stone is perceived as a mineral that brings good luck and professional success, allows you to achieve financial independence. The tree of life in jewellery, apart from its wonderful aesthetic values, carries a strong symbolic context. It is closer to us than we think - the crown is our mind, the trunk - the body. Chain length: approx. 50 cm We strongly encourage you to peruse our assortment of products in this this

category. There's a good chance you'll find something that catches your eye.
