Description

Tri Hita Karana Bangle - Believe is also a great as a favor option for someone special to you. Our Bangles refer to the traditional philosophy of life - Tri Hita Karana, popular on the island of Bali, Indonesia. Balance is all important in the Tri Hita Karana. The combination of colours on this bangle has a deep meaning. White, Black and Grey which are defined as a balance between Good, Evil and the space between. Understanding that goodness and badness are things that cannot be separated in life and if they can be united then nature will be balanced and achieve harmony because apart from black and white there is also grey which is a harmonic or a balancer between them.
