Description

Twelve Inch Lingam Stone - 30cm would be an excellent choice for a present for someone important to you. The Shiva Lingam stone is a sacred stone of both the ancient and modern worlds. They are found in the Narmada River in Onkar Mandhata, one of the seven holy sites of India. These stones from are made of cryptocrystalline quartz and legend has it that they formed when a meteorite fell to earth several million years ago. The natural movement of the river is believed to help create the egg or oval shape of the stones. They're only gathered on one day each year and are hand polished to give them a smooth and gleaming surface. Lingam stones are said to have one of the highest frequency vibration rates of all the stones on earth. They emanate a vibration that will purify your sacred space. Each Shiva Lingam Stone is completely unique ! Our selection of
