Description

Looking for an ideal as a giveaway for your significant other? **White Apophyllite Clusters 20-** collection as a presents is exactly what you need. Apophyllite Clusters are known to soo the feelings of anxiety, fear and worry. They absorb negative thoughts and help to calm an anxious mind in times of stress. Sizes 20-30mm. Weight from 10g - 30g Rare Mineral Specimens are highly collectable items. If you are a mineral collector you should have those in your collection. Different gems are said to have different properties, and for thousands of years, they have been made into rings, bracelets, amulets, brooches and pendants to capture their magic. A popular theory is that gemstones contain vibrational energy. By placing gemstones within a person's aura it is possible to change the vibrations of that aura. They can help you absorb negative thoughts, fill you with courage and confidence or improve your memory. Please Note: These Minerals are a natural product. Because of this, the sizes of the Gemstone pieces may vary. We strongly suggest taking a look at the items in this
