Description

Witches Cauldron Backflow Incense Burner would also make for a great as a giveaway option for someone you care about. Height 19cm Width 11.5cm Depth 10 cm Backflow Incense Burner is specially designed by to create smoke that cascades downwards, pouring dramatically down the tower with a stunning effect that will catch you's eye. Once you have lit your incense cone, it will begin to smoke, the incense is heavier than air and it will fall dramatically in swirls and twists, through the hole and down over the item, to pool at the bottom. Our Backflow Incense Burner is suitable for home, office, teahouse, meditation, yoga studio. . . Please note: In order to create the smoke cascade effect you will need to use backflow incense cones. We have a variety of products in this this

section that you may find interesting, and this particular offer is one of them.
